FAMILY DAY @ the jetport

A Free Community Celebration of Aviation

Saturday, October 7, 2023
10 a.m. to 3 p.m.

Our free community aviation celebration returns again this fall with a day of fun for all ages. FAMILY DAY @ the jetport is your opportunity to see military aircraft, corporate jets, vintage airplanes and recreational aircraft; explore Raleigh Exec; and, of course, enjoy plenty of music and food.

Even better, this is your chance to be part of the excitement, share the event with colleagues and reach audiences with your community spirit!
